

[Verse 1]

I saw Her Standing There

Well she was just seventeen and you know what I mean  
And the way she looked was way beyond compare  
So how could I dance with another oh,  
When I saw her standing there

[Verse 2]

Well she looked at me and I, I could see  
That before too long I'd fall in love with her  
She wouldn't dance with another, ooh  
When I saw her standing there

[Bridge]

Well my heart went boom  
When I crossed that room  
And I held her hand in mine

[Verse 3]

Well we danced through the night  
and we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another, oh  
Oh, since I saw her standing there
